- Subjects should be relative to students first and foremost
- Topics are chosen so that they cannot prejudice any contestant
- That the contestant can relate to in their world view
- Must be conducive and positive to the Māori world
- Must reflect the National Ngā Manu Kōrero rules
- No topics from the previous National Competition to be used

All topics must be selected with the five categories in mind:

1. Te Reo me ona tikanga
2. Education
3. Whānau – aspects of Māori life and or history, the Māori world view
4. Culture – can also include the arts and politics
5. Health, sport and well-being

The process:

Pre-meeting: delegates to collect topics from their regions and send in to the Apiha Māori at PPTA.

They are categorised under the headings above.

All topics are considered by the committee.

The best topics are then checked on again for relevance.

Final topics are agreed upon.

Topics are sent to experts to be grammatically checked.

Topics are then sent to the regions.

The contests are in four categories; Pei Te Hurinui Jones, Korimako, Te Rāwhiti Ihaka and Sir Turi Carroll Competitions are held at three levels – school, regional and national. The following pages contain information and guidelines on organising and judging these categories and levels.

Where there is more than one contestant, the school must hold a competition to select the contestant to participate in the regional final.

1 KORIMAKO

1.1 The Korimako Contest was sponsored originally by a former Governor-General, Sir Bernard Fergusson, Lord Ballantrae, whose express aim was to encourage among Māori pupils a greater command and fluency in the use of spoken English.

1.2 ELIGIBILITY

1.2.1 The contest is for bona fide secondary Māori pupils in years 11, 12 and 13 (that is, students who are undertaking a full-time course of study at these levels).

1.2.2 For the purposes of the contest, Māori pupils are defined as those of New Zealand Māori descent.

1.3 STRUCTURE OF THE KORIMAKO CONTEST

1.3.1 The contest is in 2 parts:

a prepared speech in English of up to 6 minutes in length

plus an impromptu speech in English of up to 3 minutes in length, with a 5 minute period of preparation time.

The Korimako Trophy is awarded to the contestant who gains the highest aggregate score for both the prepared and the impromptu speech.

1.4 TOPICS

1.4.1 One set of topics is set by the Ngā Manu Kōrero Regional Co-ordinators in March, for use at the school, regional and national contests. The use of these topics at school and regional contests remain optional.

1.5 CUE CARDS

1.5.1 No cue cards, or hand held paper or written aids are to be used in the prepared speech. If used, there will be a penalty of 10 marks deducted.

1.5.2 No cue cards, or hand held paper or written aids are to be used in the impromptu speech. If used, there will be a penalty of 10 marks deducted.

1.6 JUDGING OF THE KORIMAKO CONTEST

- 1.6.1 The contest is aimed at encouraging the development of English language skills and to this end the speech must be delivered in standard English, however, a brief salutation in Māori is permissible. Quotations are to be regarded as part of the speech. The speech must be the original work of the contestant. Refer to Plagiarism Policy on page 34 and Principal Signature to verify original work on page 35.

1.7 OLYMPIC SCORING SYSTEM

- 1.7.2 Whenever resources and personnel are available the Olympic Scoring System should be used in the school and regional contests.

1.8 IN THE EVENT OF A DRAW

- 1.8.1 It is permissible for speakers to gain equal placings in all sections, however prioritised judging criteria will be applied to distinguish a single winner in the event of a first-equal overall placing in the regional and national Ngā Manu Kōrero competitions.

8 SUGGESTED TIME FRAME FOR 2017

8.1 SCHOOL CONTESTS

8.1.1 If there is more than one contestant in any category, schools must organise their own competitions to select contestants to participate in the regional final. The Student Profile form (refer page 24) is to be completed and forwarded to your Regional Co-ordinator (refer pages 12 and 13 for contact details).

8.2 REGIONAL CONTESTS

8.2.1 Regional contests are organised by Regional Co-ordinators.

8.2.2 Regional finals should be completed by the Regional Organising Committee by (suggested date):

- Friday 9 June 2017

8.2.3 Each school is responsible for providing a signed statement from the Principal to verify that the speech is the original work of the student.

8.2.4 Student Profile forms of regional winners only should be forwarded to the Āpiha Māori, PPTA National Office, Wellington by:

- Friday 7 July 2017

8.2.5 The results of regional competitions should also be sent to the Āpiha Māori, PPTA.

8.2.6 Regional Co-ordinators should ascertain the number of supporters from their regions, who will be attending the national competitions (and needing accommodation), and evidence from the Principal that the speech is the original work of the student, and forward this information to the National Organising Komiti by:

- Friday 14 July 2017

8.2.7 Regional Audited Accounts and Information (refer to form on page 26) must be sent to the Āpiha Māori, PPTA National Office by:

- Friday 7 July 2017

8.3 NATIONAL CONTESTS

8.3.1 One set of topics is set by the Ngā Manu Kōrero Regional Co-ordinators in March, for use at the school, regional and national contests. The use of these topics at school and regional contests remain optional.

- Thursday 16 March 2017

8.3.2 National competitions will be held at the TSB Stadium, Mason Drive, New Plymouth on Wednesday 20, Thursday 21 and Friday 22 September 2017.

9 BOOK TOKENS

9.1 REGIONAL COMPETITIONS

Winners in the four categories each receive a book token of \$100, presented at the regional contests.

Regional Co-ordinators will be presented with book tokens from the PPTA at the Regional Co-ordinators annual training hui, or upon their forwarding to the PPTA, a completed Request For Regional Funding form (refer page 25).

10 TROPHIES

10.1 It has now become tradition for trophies to be returned with due ceremony and the National Organising Komiti will advise schools concerned about this. Trophies are presented to the winners at the end of the national finals. This is done, where possible, by the previous year's winners.

10.2 Schools returning a trophy or trophies are entitled to a subsidy of \$50 per trophy to assist with travel to the National Secondary Speech Contests. To qualify for the subsidy, eligible schools must notify Te Mākao Bowkett (Āpiha Māori, PPTA) by completing the relevant section on the Request For Regional Funding form included in this booklet (refer page 25). It is important that every care is taken when handling and transporting these taonga.

11 CERTIFICATES

11.1 CERTIFICATE OF MERIT

These will be issued to all place-getters at school, regional and national levels.

11.2 CERTIFICATE OF PARTICIPATION

These will be issued to all participants at school, regional and national levels.

11.3 Schools' entitlement to certificates will be in accordance with the completed Results of School/Regional Contest form (refer page 23), which is to be sent to Te Mākao Bowkett (Āpiha Māori, PPTA).

11.4 Numbers and type of certificates required at Regional level will be in accordance with the completed Results of School/Regional Contests form supplied by the schools (refer page 23).

11.5 The same form should be used for Regional results.

Due to the lack of funding, no travel subsidy is available to schools to attend regional contests.

12.2 TRAVEL SUBSIDIES TO ATTEND THE NATIONAL CONTEST

12.3 REGIONAL TRAVEL

How travel subsidies are used this year is at the discretion of the Regional Organising Komiti in consultation with schools that have contestants at national level, and/or schools that are returning trophies.

- 14.3 All tax invoices and receipts must accompany accounts.

15 TEACHER ENTITLEMENTS

- 15.1 Teachers in secondary schools are reminded that they are entitled to Teacher Relief Days (refer page 20) and Travel Subsidy (refer page 19). This entitlement is for all teachers covered under clause 3.6.1 of the Secondary Teachers' Collective Agreement.

23 PROCESS FOR DEALING WITH DISPUTES AND POLICY CHANGES

23.1 All major decisions for the national competition, other than National Organising Committee housekeeping, will be made by a committee consisting of not less than one member of the following two groups:

- The National Organising Committee
- NZ Post Primary Teachers' Association.

23.2 The purpose of the national training session for the 16 Regional Ngā Manu Kōrero Co-ordinators is to outline their roles and responsibilities, and to 'table' any matters of regional concern, and proposed policy changes to Ngā Manu Kōrero. It is the responsibility of Regional Co-ordinators to report back to their regions. Genuine consultation with teachers and schools, and a reasonable timeframe is required. Major changes would require at least 12 months for feedback before change is implemented.

24 PLAGIARISM POLICY

24.1 Plagiarism <http://www.plagiarism.org/plagiarism-101/what-is-plagiarism/>

If a speaker is suspected of plagiarism in the content of the speech (This does not include mihimihi, tauparapara, whakatauki etc) the person that identified the indiscretion must:

- Inform the host committee orally within 15 minutes after the conclusion of the speech.
- Submit a written acknowledgement of the plagiarism accompanied by evidence within one hour from the conclusion of the speech.

24.2 The host committee will investigate the validity of the accusation by examining the evidence

- If the evidence confirms that plagiarism has taken place, the host committee will allow the speaker to argue their case in a hui conducted at a time when the committee are available. This must happen on the day of the accusation.
- Then after hearing both cases the committee will decide whether the indiscretion warrants disqualification based of the definition of plagiarism on the website: <http://www.plagiarism.org/plagiarism-101/what-is-plagiarism/>
- The committee will provide both the accuser and the accused with confirmation of the decision in writing.
- The committee's decision is final.

The contestant will only be disqualified from the competition section in which the discretion has occurred.

The committee must consist of the chair of the National Host Committee and one from The National Organising Committee and one from NZ Post Primary Teachers' Association.

PRINCIPAL SIGNATURE TO VERIFY ORIGINAL WORK

24.3 In order to prevent plagiarism, further support is sought through the endorsement of Principals. From 2017 onwards for both the Regional and National contests Principals must sign to verify that the speech is the original work of the student.
