

NOTICE TO CANDIDATES NOMINATED FOR OFFICE AS AN EXECUTIVE MEMBER OF THE ASSOCIATION

Enclosed is a form requesting information from you as a candidate in the Executive by-election.

All candidates are asked to provide this information (on the form supplied) **with their nominations**. This will have a twofold purpose: it will enable preparation of the by-election material without undue pressure on you and will give the Association information about all its office holders, even those for whom a by-election is not required. Please supply this material even if you have done so on a previous occasion.

Please return your contribution to this office by emailing returningofficer@ppta.org.nz with your nomination form. Because of the limited time available to conduct the by-election, there can be no extension of the deadline and if material is not received in time, publication of candidates' information will proceed without it.

IMPORTANT NOTE:

Your attention is drawn to the **attached** statement on the conduct of Association elections. This is based on legal opinion on the effects and implications of the Association's Constitution. CONDUCT OF ASSOCIATION ELECTIONS—NOTE TO CANDIDATES

1. General

- a) Pursuant to Rule 64 of the Constitution, the Executive has directed that the Returning Officer forward to each candidate a "code of conduct" in respect of Association elections.
- b) The attention of candidates is drawn to the following rules contained in the Association's Constitution:
Rule 52:
The Annual Conference as hereby constituted shall have supreme authority in the Association.
Rule 42(i):
The Executive shall act for and on behalf of the Association between Conferences and in particular shall implement the decisions of and pursue the policies established by the Conference.
Rule 47(i) and 47(ii):
 - i) All resolutions of the Executive and all acts and things duly done or executed in good faith shall be binding upon all members of the Executive whether present at any such meeting or not and upon all the property and assets of the Association PROVIDED that such resolution shall not be shown to be *ultra vires* the Executive AND PROVIDED FURTHER that all members of the Executive have been duly notified of such meeting.
 - ii) The fact that any such resolution is made in pursuance of any decision or recommendation of the Conference shall be conclusive evidence of good faith and of the absence of any improper motive.
- c) It is clear from these extracts that the policy of the Association is determined by the Annual Conference, and, provided it is within the general policy guidelines established by the Conference, policy is also determined by the Executive.
There is, therefore, a clearly-stated and democratic procedure by which the Association formulates and establishes its policies, and within this there can be no place for "personal policies" or "policy platforms" on the part of candidates for election to the Executive. You are reminded of this when making your personal statement.

2. Campaigning

- a) The canvassing of other branches or members, whether by visiting for the purpose of addressing members or by the circulation of material which may be related to the election is also excluded. This exclusion has been introduced in order to prevent any candidate obtaining an advantage due to his/her proximity to other Branches, other advantages of location, or the possession of a better financial status.
- b) However, candidates may address regional meetings (1990 conference decision). Any candidates wishing to take up this facility should contact the appropriate regional chair people and advise the Returning Officer of their intent. The Association will reimburse the actual costs reasonably incurred in attending such meetings.
- c) Where elections are necessary the information supplied by candidates will be circulated to members to assist them in the process of voting.

3. Summary

Please adhere strictly to the following requirements in relation to the election:

- a) Avoid making "personal policies" or "policy platform" statements.
- b) Do not canvass for support.

- c) Please give full personal and biographical information of a factual and relevant nature to assist member voters.
- d) Return your "Candidates Information" sheet by **5.00 p.m. on Friday 12 June 2026.**
