Tēnā koutou katoa

This handbook is addressed to all secondary school principals, PPTA Te Wehengarua branches, regional coordinators and the national host komiti. It contains background information about organising the 2022 speech contests at school and regional levels, information relating to the national finals and a checklist of key dates and contact addresses.

Ngā Manu Kōrero is regarded as the most significant event on the Māori education calendar for nurturing the oratory skills and providing the stage for young people to express their views and to lay down their challenges to an admiring and critical audience of peers, parents, whānau and judges.

The speech contests are intended to encourage the development of skills and confidence of Māori students in spoken English and te reo Māori. All secondary schools are invited to participate in this wonderful event, noting that the Māori section is open to all students as part of a strategy to support everyone to learn and to speak in te reo Māori.

Currently there is a strong sense of urgency within our communities to protect our indigenous Māori language so that it can be spoken and heard and understood across the current and future generations of Aotearoa New Zealanders. The commitment to ensure the survival of Māori language as a living, spoken and dynamic treasure is captured within the essence of Ngā Manu Kōrero.

This kaupapa is precious and endearing to each of us because it celebrates who we are as a nation. Ngā Manu Kōrero is about honouring the special and unique existence of being Māori and of sustaining our connections to the Māori world in all its glory.

In this 57th year of the competitions, we have reluctantly made the decision to again hold the national event online. Last year was the first time we trialled this format, due to Covid restrictions, and in light of the possibility of more Covid variations and surges, we think online is again the best option. We were pleasantly surprised at how well the national competition ran last year and the degree of participation.

Regions will be responsible for high-quality filming of contestants. The quality is important to give our rangatahi the best chance to shine in their performances and the funding provided by Te Taura Whiri i Te Reo Māori and PPTA Te Wehengarua is available to assist with this.

Judging of the finals will be held in Wellington, without contestants present in person, on 28 – 30 September, and will be screened online.

GUIDELINES FOR CONDUCTING COMPETITIONS

COMPETITION DIVISIONS

The competitions are in four divisions: the Pei Te Hurinui Jones Contest, Korimako Contest, Te Rāwhiti Ihaka Contest and Sir Turi Carroll Contest. Competitions are held at three levels – school, regional and national. The following pages contain information and guidelines for organising and judging these divisions and levels.

THE MĀORI LANGUAGE SECTIONS ARE OPEN TO ALL

The Māori language sections are open to all eligible secondary students.

The purpose of the Māori language sections are to give both male and female contestants the opportunity to compete on equal terms to show their ability in using the Māori language.

Please note that they are not an exercise in whaikōrero as such.

The Māori language sections have additional time allocated to allow for the traditional mihi which is not judged.

The prepared speech in the Māori language section is presented in formal language – ōkawa.

The impromptu speech in contrast allows for the use of informal language – ōpaki.

THE ENGLISH LANGUAGE SECTIONS ARE RESERVED FOR MĀORI STUDENTS

The English language sections are reserved for Māori students only. This dates back to a time in Aotearoa when Māori language was the language of the home and community but many in leadership decision making roles were concerned that Māori fluency in the English language was lagging. They wanted Māori to upskill in the English language in order to succeed and prosper in the pākehā world. Today it is more about retaining a Māori essence, through the English language, that invokes Māori values, Māori thinking and being, Māori humour and Māori uniquenesses.

SCHOOL COMPETITIONS

If there is more than one contestant in any category, schools must organise their own competitions to select contestants to participate in the regional final. The Student Profile form (refer page 32) is to be completed and forwarded to your Regional Coordinator (refer pages 14 and 15 for contact details).

REGIONAL COMPETITIONS

Regional competitions are organised by Regional Coordinators/Committees. This year, they will arrange for the filming of the competitions so the winners can be judged at the online national competition.

Each school is responsible for providing a signed statement from the principal to verify that the speech is the original work of the student.

See also Suggested Timeframes on page 16.

TOPICS

One set of topics is set by the Ngā Manu Kōrero Regional Coordinators in March for use at the school, regional and national contests. The use of these topics at school and regional contests remains optional. However, the topics set by the Ngā Manu Kōrero Regional Coordinators must be used for the national contests. For information on this year's topics, see page 4.

USE OF OFFICIAL MARKING SHEETS

In order to ensure a degree of uniformity at all three levels of the contest (school, regional, national), the official marking sheet must be used (copies included in this booklet – refer pages 35 onwards). These are also available to be downloaded from <https://www.ppta.org.nz/events>.

CUE CARDS, PROPS

No cue cards, or handheld paper or written aids or props are to be used in either the prepared or impromptu speeches. If used, there will be a penalty of 10 marks deducted.

Please note that traditional Māori artefacts (including mere, patu, taiaha, tokotoko, poi) can be used while the kaikōrero is speaking. If anyone is in doubt about what constitutes a traditional artefact, they should consult with their regional coordinator.

ROLE OF THE ROOPU TAUTOKO

During speeches the roopu tautoko must remain silent and may not participate in any way. This includes use of gestures and saying “tāiki e” and similar.

WAIATA TAUTOKO

At the national competitions, regions are encouraged to perform one waiata tautoko for their junior speakers and one waiata tautoko for their senior speakers. Hopefully this will encourage schools to work as a region, and the time saved will help alleviate pressure throughout the duration of the competitions.

BOOK TOKENS – REGIONAL COMPETITIONS

Winners in the four divisions each receive a book token of \$100, presented at the regional contests.

Regional Coordinators will be presented with book tokens from PPTA Te Wehengarua at the Regional Coordinators' annual training hui, or upon their forwarding to PPTA Te Wehengarua a completed Request for Regional Funding form (refer page 33).

TROPHIES

It has now become tradition for trophies to be returned with due ceremony and the National Organising Komiti will advise schools concerned about this. Trophies are presented to the winners at the end of the national finals. This is done, where possible, by the previous year's winners.

Schools returning a trophy or trophies are entitled to a subsidy of \$50 per trophy to assist with travel to the National Secondary Speech Competitions. To qualify for the subsidy, eligible schools

must notify the Kaihautū Māori, PPTA Te Wehengarua by completing the relevant section on the Request for Regional Funding form included in this handbook (refer page 33). It is important that every care is taken when handling and transporting these taonga.

For more information on our taonga, refer Appendix 2 on page 26.

CERTIFICATES

CERTIFICATE OF MERIT

These will be issued to all placegetters at school, regional and national levels.

CERTIFICATE OF PARTICIPATION

These will be issued to all participants at school, regional and national levels.

Schools' entitlement to certificates will be in accordance with the completed Results of School/Regional Contest form (refer page 30), which is to be sent to the Kaihautū Māori, PPTA Te Wehengarua, PO Box 2119, Wellington 6140, email: mbarton@ppta.org.nz.

Numbers and type of certificates required at regional level will be in accordance with the completed Results of School/Regional Contests form supplied by the schools (refer page 30).

The same form should be used for regional results.

CRITERIA FOR NATIONAL TOPIC SELECTION

Ngā Manu Kōrero delegates must consider the following principles when selecting topics:

- Subjects should be relevant to students and their world view first and foremost.
- Topics selected must not prejudice any contestant.
- They must show te ao Māori in a positive light.
- They must reflect the national Ngā Manu Kōrero rules.
- No topics from the previous national competition to be used.

All topics must be selected with the five categories in mind:

- Te Reo me ōna tikanga
- Education
- Whānau – aspects of Māori life and or history, the Māori world view
- Culture – can also include the arts and politics
- Health, sport and wellbeing

Please note, for clarification, that topic 6 is to be chosen by the speaker from any one of these five categories listed.

The process:

1. Delegates collect topics from their regions and send to the Kaihautū Māori, PPTA Te Wehengarua at mbarton@ppta.org.nz.
2. They are categorised under the headings above.
3. All topics are considered by the committee.
4. The best topics are then checked on again for relevance.
5. Final topics are agreed upon.
6. Topics are sent to experts to be grammatically checked.
7. Topics are then sent to the regions.

KORIMAKO CONTEST

The Korimako Contest was sponsored originally by a former Governor General, Sir Bernard Fergusson, Lord Ballantrae, whose express aim was to encourage among Māori pupils a greater command and fluency in the use of spoken English.

ELIGIBILITY

The contest is for bona fide secondary Māori pupils in years 11, 12 and 13 (that is, students who are undertaking a full-time course of study at these levels).

For the purposes of the contest, Māori pupils are defined as those of New Zealand Māori descent.

STRUCTURE OF THE KORIMAKO CONTEST

The contest is in two parts:

- a prepared speech in English of up to eight minutes in length, with a minimum of six minutes.
- an impromptu speech in English of up to three minutes in length, with a five-minute period of preparation time.

The Korimako Trophy is awarded to the contestant who gains the highest aggregate score for both the prepared and the impromptu speech.

TOPICS, MARKING, USE OF CUE CARDS AND PROPS, ROLE OF THE ROOPU TAUTOKO

See Page 1 – Guidelines for Conducting Competitions

JUDGING

See Appendix 1 on page 23 for judging rules and criteria.

The contest is aimed at encouraging the development of English language skills and to this end the speech must be delivered in standard English; however, a brief salutation in Māori is permissible. Quotations are to be regarded as part of the speech. The speech must be the original work of the contestant. Refer to the Plagiarism Policy and Verification of Originality on page 17.

Please note – only one winner of the school contests may enter as a contestant in the regional competitions and only one winner of the regional finals may enter as a contestant in the national finals.

IN THE EVENT OF A DRAW

It is permissible for speakers to gain equal placings in all sections; however prioritised judging criteria will be applied to distinguish a single winner in the event of a first-equal overall placing in the regional and national Ngā Manu Kōrero competitions.

In the event of a first-equal overall placing (both impromptu and prepared) the speaker with the highest tallied score from their judging sheets in the impromptu speech is deemed the winner. SUGGESTED TIMEFRAMES

SCHOOL COMPETITIONS

If there is more than one contestant in any category, schools must organise their own competitions to select contestants to participate in the regional final. The Student Profile form (refer page 32) is to be completed and forwarded to your Regional Coordinator (refer pages 14 and 15 for contact details).

REGIONAL COMPETITIONS

Each school is responsible for providing a signed statement from the principal to verify that the speech is the original work of the student.

Regional competitions are organised by Regional Coordinators/Committees.

If possible, regional finals should be completed by the Regional Organising Committee by the end of June.

The results of regional competitions and student profile forms of regional winners (*only*) should be forwarded to the Kaihautū Māori, PPTA Te Wehengarua, Wellington by Friday 15 July 2022 at latest.

Regional Coordinators should also obtain evidence from the principal that the speech is the original work of the student.

This year there will be no students or supporters travelling to the Nationals.

Regional Audited Accounts and Information (refer to form on page 34) must be sent to the Kaihautū Māori, PPTA Te Wehengarua by Friday 15 July 2022.

NATIONAL COMPETITIONS

One set of topics is set by the Ngā Manu Kōrero Regional Coordinators in March, for use at the school, regional and national competitions. The use of these topics at school and regional contests remains optional. However, the topics set by the Ngā Manu Kōrero Regional Coordinators must be used for the national competitions.

National competitions will be held online and judged in Wellington on 28 – 30 September.

DISPUTES AND POLICY CHANGES

All major decisions for the national competition, other than national host committee housekeeping, will be made by a committee consisting of not less than one member of the following two groups:

- The National Host Committee
- NZ Post Primary Teachers' Association Te Wehengarua

The purpose of the national training session for the 15 Regional Ngā Manu Kōrero Coordinators is to outline their roles and responsibilities, and to table any matters of regional concern and proposed policy changes to Ngā Manu Kōrero. It is the responsibility of Regional Coordinators to report back to their regions. Genuine consultation with teachers and schools and a reasonable timeframe is required. Major changes would require at least 12 months for feedback before change is implemented.

PLAGIARISM POLICY

Plagiarism: <http://www.plagiarism.org/plagiarism-101/what-is-plagiarism/>

If a speaker is suspected of plagiarism in the content of the speech (this does not include mihimihi, tauparapara, whakataukī etc.) the person that identified the transgression must:

- Inform the host committee orally within 15 minutes after the conclusion of the speech.
- Submit a written acknowledgement of the plagiarism accompanied by evidence within one hour from the conclusion of the speech.

The host committee will investigate the validity of the accusation by examining the evidence

- If the evidence confirms that plagiarism has taken place, the host committee will allow the speaker to argue their case in a hui conducted at a time when the committee are available. This must happen on the day of the accusation.
- Then after hearing both cases the committee will decide whether the indiscretion warrants disqualification based on the definition of plagiarism on the website: <http://www.plagiarism.org/plagiarism-101/what-is-plagiarism/>
- The committee will provide both the accuser and the accused with confirmation of the decision in writing.
- The committee's decision is final.

The contestant will only be disqualified from the competition section in which the transgression has occurred.

The committee must consist of the chair of the National Host Committee and one rep from the Regional Ngā Manu Kōrero Coordinators' Committee and one rep from PPTA Te Wehengarua.

VERIFICATION OF ORIGINALITY

In order to prevent plagiarism, further support is sought through the endorsement of principals. From 2017 onwards for both the regional and national contests principals must sign to verify that the speech is the original work of the student.

FINANCIAL MATTERS

TRAVEL SUBSIDIES

TO ATTEND REGIONAL COMPETITIONS

Due to the lack of funding, generally no travel subsidy is available to schools to attend regional competitions.

TO ATTEND THE NATIONAL COMPETITIONS

Contestant Travel

In normal years, contestants in any of the four competitions at national level are entitled to a subsidy of \$200 for each winner, to assist with travel to the national speech contest. There will be no such travel this year.

REGIONAL TRAVEL

How travel subsidies are used this year is at the discretion of the Regional Organising Komiti in consultation with schools that have contestants at national level, and/or schools that are returning trophies.

ASSISTANCE FOR RETURNING TROPHIES

Schools returning trophies to the nationals are entitled to a subsidy of \$50 per trophy. Please contact the Kaihautū Māori, PPTA Te Wehengarua about this.

FUNDING AND ASSISTANCE AVAILABLE TO THE REGIONS

ADMINISTRATION GRANT

A grant of \$1,000 is available from PPTA Te Wehengarua to assist with all organisational costs incurred for the running of the Ngā Manu Kōrero regional competitions.

A further \$2,666 per region has been sponsored by Te Taura Whiri i te Reo Māori to be allocated at regions' discretion.

REGIONAL TRAVEL

Assistance is usually available for teachers travelling from regions to attend the national contest (refer pages 20 and 21). This will not happen this year.

CONTESTANT TRAVEL

Assistance is usually available for winners of the regional competitions to get to the national competitions. This is allocated through regions at the rate of \$200 for each winner – a maximum total of \$800 per region. This will not happen this year.

RETURNING TROPHIES

Assistance is available to return trophies to the National Organising Komiti. This subsidy is allocated at the rate of \$50 per trophy – please contact Miriama Barton, Kaihautū Māori, PPTA Te Wehengarua at mbarton@ppta.org.nz.

BOOK TOKENS

These are provided by PPTA Te Wehengarua for the winners in each of the four divisions at regional competitions. The book tokens have a value of \$100 for each winner – a total of \$400 for each region (refer also to Book Tokens: Regional Competitions on page 2).

BANK ACCOUNTS AND AUDITING

Regional Coordinators will be expected to set up a bank account with at least three signatories from the Regional Committee.

Regional accounts should be audited before sending these in to PPTA. Although it is preferable to have a Chartered Accountant conduct this audit, it can be done by an independent person with accounting knowledge.

All tax invoices and receipts must accompany accounts.

TEACHER ENTITLEMENTS

Teachers in secondary schools are reminded that they are entitled to Teacher Relief Days (refer see below) and Travel Subsidy (refer page 21). This entitlement is for all teachers covered under clause 3.6.1 of the Secondary Teachers' Collective Agreement.

Teachers covered by the Area Schools Collective Agreement should refer to clause 5.4.2 and clause 5.8 of the agreement, Ngā Whakataetae Mō Ngā Manu Kōrero mō Ngā Kura Tuarua. There is a national entitlement of 14 teacher relief days to run the contests, together with a national travel provision of \$204 (which is not applicable this year).

Teachers covered by either of the agreements mentioned above who are not officially accompanying school parties to the regional or national speech competitions, but are officiating in some capacity, e.g. judges at these functions should apply for Cultural Leave. Contact your PPTA Field Officer if you require assistance with this.

TEACHER RELIEF DAYS

Under the Secondary Teachers' Collective Agreement, 350 Teacher Relief Days are provided. These will be allocated as follows:

	No. Teachers	No. days	Total TRDs
Te Rōpū Whakahaere PPTA Te Wehengarua Organising Committee	2 teachers	x 1 day	2 TRDs

INTRODUCTION

The event is an opportunity for students to participate in speech contests organised within a Māori cultural space that is both enriching and affirming.

Many of the contestants from both language sections go on to become significant contributors and leaders in the Māori world and in the broader contemporary and global domains.

The first contest was held in 1965, from humble beginnings it is now a major event on the Māori education calendar.

JUDGING OF FILMED SPEECHES

In 2022 we are requiring that all regional contests be filmed, in order to submit finalists' entries for the online judging. It is important that the filming be of high standard so as not to disadvantage any contestants.

The judges will assemble on 28-30 September and judge the filmed entries as they normally would. If there are travel restrictions in place, judging will be deferred until such time as the judges can assemble in person.

CONTEST JUDGES (KAIWHAKAWĀ)

The same five kaiwhakawā will judge both the Korimako and the Sir Turi Carroll contests.

The same five kaiwhakawā will judge both the Pei Te Hurinui Jones and the Te Rāwhiti Ihaka contests.

CONTESTANTS ARE ENCOURAGED

The contestants are encouraged to consider and to challenge ideas, events and issues they deem to be important. They are also expected to provide arguments to support their positions.

THE CONTESTANTS' SPEECH IS FREE-FLOWING AND UNAIDED

The contestants' speech should be free-flowing and unaided by their roopu tautoko, cue cards, paper, or other written aids. However, in keeping with the move to revive traditional aspects of Māori culture some props are acceptable - poi, mere, tokotoko, taiaha. The roopu tautoko are free to show support in the usual manner once the speech is completed.

CUE CARDS, PROPS

No cue cards, or handheld paper or written aids or props are to be used in either the prepared or impromptu speeches. **If used, there will be a penalty of 10 marks deducted.**

Please note that traditional Māori artefacts (including mere, patu, taiaha, tokotoko, poi) can be used while the kaikōrero is speaking. If anyone is in doubt about what constitutes a traditional artefact, they should consult with their regional coordinator.

ROLE OF THE ROOPU TAUTOKO

During speeches the roopu tautoko must remain silent and may not participate in any way. This includes use of gestures and saying “taiiki e” and similar.

THE OLYMPIC SCORING SYSTEM IS USED

The Olympic scoring system is used in the national competitions. Under this system five judges are used to allocate scores for each contestant speaker. The top and the bottom scores are eliminated leaving the remaining scores to be totalled for a final score. The system is fair and does not unduly influence, advantage, or disadvantage any contestant speaker.

Whenever resources and personnel are available the Olympic Scoring System should be used in the school and regional competitions.

IN THE EVENT OF A DRAW

It is permissible for speakers to gain equal placings in all sections; however prioritised judging criteria will be applied to distinguish a single winner in the event of a first-equal overall placing in the regional and national Ngā Manu Kōrero competitions.

In the event of a first-equal overall placing (both impromptu and prepared) the speaker with the highest tallied score from their judging sheets in the impromptu speech is deemed the winner. If the scores are identical in the impromptu speech the speaker with the highest tallied score from their judging sheets in the prepared speech is deemed the winner. If the scores are identical then we progress to the prepared speech criteria.

USE OF OFFICIAL MARKING SHEETS

In order to ensure a degree of uniformity at all three levels of the contest (school, regional, national), the official marking sheet must be used (copies included in this booklet – refer pages 35 onwards).

THE BENCHMARK IS 85

The benchmark is set at 85 to recognise that contestants in the national competitions have already achieved a high standard of oratory. They are the best in their respective schools and regions. We therefore honour their achievements.

Half marks (0.5) are acceptable.

Half marks can be used to differentiate contestant’s scores.

TOPICS

One set of topics is set by the Ngā Manu Kōrero Regional Coordinators in March for use at the school, regional and national competitions. The use of these topics at school and regional competitions remains optional. However, the topics set by the Ngā Manu Kōrero Regional Coordinators must be used for the national competitions.

See also Criteria for National Topic Selection on page 4.

SPEECHES MUST BE THE ORIGINAL WORK OF THE CONTESTANTS

In all sections, the contestants enter on the premise that they are presenting their own work. The organisers have policy guidelines in place to address any matters that may arise.

GOOD COMPETITION JUDGES ARE:

- Accurate – they need to be able to complete the marking sheets correctly.
- Fair – they do not let their personal feelings influence their decision.
- Decisive – their role is to select a winner.
- Trustworthy – contestants trust them to select the best speaker as winner.
- Knowledgeable – they must know the contest criteria and rules, how to judge based on actual experience, and how to complete the marking sheets.
- Good listeners – they do not become distracted during the speech (no chatter, texting or phone calls).
- Confidential – they focus entirely on the speaker, take brief notes if it helps, after the speech, enter the scores and comments on the marking sheet and refrain from discussing the details with other judges.
- Committed – they attend the pōhiri, the judges briefing, attend the entire speech contest, participate in the prizegiving ceremony and remain to support the handover of the mauri.

At the 2010 Ngā Manu Kōrero Regional Coordinator’s hui a consensus was reached that no further taonga be added to the national competitions at this time.

A working group consisting of Ngā Manu Kōrero Regional Coordinators met in 2012 to review the future of Ngā Manu Kōrero, and the criteria for presenting taonga.

MAINTENANCE OF TAONGA

With the passing of time it is essential that the taonga are cared for, cherished and maintained appropriately. They embody the living memories of our much loved and revered whānau and tīpuna. For this year the Regional Ngā Manu Kōrero Coordinators will prioritise work on taonga awarded in the Senior Māori divisions.

DAME WHINA COOPER MEMORIAL TROPHY – “TE RAKAU MĀPUNA”

The history:

Presented by the Tai Tokerau people in 2007 to commemorate the prowess of Dame Whina Cooper embodied in the whakataukī which is on the plaque on the trophy:
 “Kia mataara te titiro, kia mataara te whakarongo, ka mataara te kōrero”

The purpose:

To encourage greater participation by females in the Te Rāwhiti Ihaka Contest (Junior Māori Contest), and to recognise the female student who has shown the greatest proficiency in Te Reo Māori.

To be awarded to:

The female student who gains the highest placing in the Te Rāwhiti Ihaka Section (Junior Māori Contest).

SIR APIRANA NGATA MEMORIAL TROPHY

The history:

Presented by the Tairāwhiti region in 1994 to commemorate the centenary of the capping of the first Māori graduate at a New Zealand University (1894 to 1994), and in recognition of Sir Apirana Turupa Ngata’s proficiency in Māori and English.

The trophy name “E Tipu, E Rea” is an abbreviation of his well-known proverb, as well as a challenge to our youth.

The purpose:

to encourage greater individual, school and regional proficiency in English and Māori languages, and

to recognise those students who have shown greatest proficiency in both English and Māori on an individual, school and regional basis.

To be awarded to:

The student who gains the highest aggregate in both Māori and English languages or in the event of no student qualifying;

The school which gains the highest aggregate in both Māori and English languages or in the event of no school qualifying;

The region who gains the highest aggregate in both Māori and English languages.

If there is a draw, the award will be made to the individual, school, or region with the highest aggregate in Māori.

NGĀ KETE O TE MĀTAURANGA TROPHY

Presented by the people of Tai Tokerau – awarded to the best female speaker in the national finals of the Pei Te Hurinui Jones contest.

RIKI ELLISON TROPHY

Presented by the family of the late Riki Ellison as a memorial to their kaumātua and to acknowledge his influence in revitalising the language – awarded to the best male speaker in the national finals of the Pei Te Hurinui Jones contest.

STIRLING BROTHERS MEMORIAL TROPHY

This waka huia was carved by the late Dr Pakāriki Harrison (Tohunga Whakairo) in memory of his nephews, the Stirling Brothers who passed away in a tragic accident in 1987. George (27), Kepa (24) and Hamiora (19) were all head prefects of St Stephens School (Tipene) and had all been school, regional and national representatives in Rugby. All brothers were well known for their contribution to the Māori components of their School life: Manu Kōrero, Kapa haka, Kaitito waiata.

This trophy was donated in 1989 at Tūrangawaewae by the Stirling Family. This trophy is to challenge Pei Te Hurinui contestants to show their prowess in the Māori language, by speaking on a topic in a spontaneous fashion within three minutes.

KIRI MANGU TROPHY

Presented by Southland Girls' High School as a memorial to Kiri Moerangi Mangu, who won the regional Otago/Southland Korimako Speech Contest in 1990. Her goal was to participate in the national Korimako Speech Contest. Kiri did not attend the Nationals as she passed away at the end of term 2.

The Kiri Mangu Trophy is awarded to the winner of the impromptu section of the Korimako contest.

MAKURU TROPHY

He tohu whakamahara tēnei ki a Dr Monte Rereamoamo Ohia "Ko te Atua tōku piringa, ka puta, ka ora".

Makuru is the name of the taonga and is adorned with a traditional whakarei representing abundance that will reward our efforts. Education brings abundance to those who walk the path of learning and also to their whānau and to the communities in which they live.

The timekeeper will inform the collation team of the time used by each speaker. The collation team will record the time penalty in the appropriate space. Please note that the speaker will be penalised once only by the collation team. At the national finals, the summary sheet for each speaker will indicate this outcome.

The same process will be followed for any penalty concerning the use of cue cards or handheld paper or written aids.
