WOMEN'S RIGHTS AT WORK

Now that we know what the issues are – the question is why they exist for women in your workplace/group?
As a group, identify the causes behind the top three issues you face as women at work.
Write the issues and their causes in the spaces below.

What's next? Now we know the reasons behind the issues, we can take action!
On the 'Women's Agenda' poster, record the actions your group will take to
change your workplace to make it safe and fair for women.
